ALMA

Welcome to the blooming world of Alma Spray Roses, where petals tell stories and beauty knows no bounds. Established in 1992, in the picturesque city of Tabacundo, Ecuador, our floral journey spans the globe.

With 21 hectares dedicated to the artistry of spray roses, we take pride in our comprehensive portfolio, **boasting more than 86 varieties, including exclusives and garden treasures.** Our commitment to excellence and innovation fuels a vibrant spectrum of radiant colors.

At Alma, we don't just grow flowers; we curate moments, crafting each petal with care and expertise. Our worldwide presence is a testament to our passion for delivering exquisite spray roses to your doorstep.

In the heart of Ecuador's lush soil, we cultivate not just flowers but connections. As experts in spray roses, we embrace innovation, collaborating closely with breeders to stay ahead. **Our commitment to quality ensures that each bloom is a masterpiece.**

So, whether you're a cherished longtime customer or a new bloom enthusiast, join us on this floral adventure. **Alma Spray Roses - where beauty meets innovation, and every petal whispers a tale of excellence.**
